THANKSGIVING

Firemen Respond 'In Time,' Revive Infant, W'moor Lad

LEADING the citizens' committee in the campaign for "yes" on elementary and high school bonds next February 7 will be (left to right): Harry Boshery, finance chairman; Robert Smice, general chairman; Mrs. Vincent Murphy, get-out-the-vote chairman, and Peter Markovich, endorsements chairman. The election concerns Pacifica, Daly City, Colma, Brisbane and Bayshore residents.

David Willey photo

U. S. STEEL MAN

Smice Named School Bonds Drive Leader

Robert E. Smice, a U.S. Steel Corporation employee who lives in Westlake at 61 Crestwood drive, last week was unanimously elected general chairman of the citizens' committee which will campaign for "yes" on school bonds next February 7.

Residents of Daly City, Broadmoor, Colma, Pacifica, Bayshore and Brisbane will ballot in the spring election.

Masked Pair Rob Drive-In

Two nervous young gunmen, stockings over their faces, held up the box office of a local drive-in theater late last week and escaped with \$537.00 in cash.

Jack V. Lee, on duty in the ticket booth at the Mission Drive-In Theater the night of November 18, reports that at 11:20 p.m. two men in a metallic blue 1955 Oldsmobile drove up and stopped in front of the booth. One of the men, his face masked behind a tightly drawn nylon stocking, approached Lee, waving a blue revolver. On impulse, Lee raised his hands. The gunman, apparently annoyed by this action, muttered a few words of profanity and demanded the contents of the cash drawer and safe. Lee complied, handing over the money in a paper bag containing ticket stubs. Still waving his gun, the thug ordered Lee to lie on the floor and "not call the police for fifteen minutes" then drove off with his driver-companion. Shortly thereafter Lee, via the inter-com, contacted the theater snack-bar employees and asked them to notify the police.

Later the same evening, a service station at Alemany boulevard and Sagamore street, reported it was robbed by a masked pair driving a 1955 four-door blue Oldsmobile.

Following the second incident, Daly City police report, two young men were seen abandoning a car of this description and driving off with another party in a yellow 1947 Ford convertible equipped with a loud muffler. A search is now out for the occupants of the second car.

Callan Park Map Filed—32 Acres

First step in the delayed development of 871-acre Callan Park has been launched by the builders—filing of a subdivision map on 32 acres earmarked for 198 homes on 50-foot lots.

The county planning commission is studying the first parcel this week.

There is speculation that Mike and Tom Callan Jr. will continue this piecemeal development until Callan Park has 500 residents. Then, a special election could be called of residents there to determine whether to establish a city, presumably called "Callan City."

Daly City voters rejected the Callan Park annexation last August by a 2-1 margin. If Daly City had approved the annexation, Callan could have built 291 homes on the 32 acre first section instead of 198 as he is requesting now.

The Callan brothers have sounded out South San Francisco officials, but like all the cities in the county except Daly City, South San Francisco requires 50-foot frontages.

A BUSY DAY

Skyline Drive Baby, Westlake Youth Are Saved By Quick Work

Last Wednesday was more than "routine" for Daly City's firemen. They responded to three resuscitator calls—twice leaving with the satisfaction that their work helped to save a life.

Just before noon, Fire Bttn. Chief Mel Hanson and his crew worked one hour in vain on a maintenance man who fell into a Westlake apartments pool.

Heart failure caused the tragedy.

About 2:55 p.m. the same day, Hanson and three firemen from Station 5 rushed to 415 Skyline drive to aid an unconscious 11-months-old boy, Ivo Pavosevich, son of Mr. and Mrs. John Pavosevich.

The infant, suffering from convulsions caused by a high fever, appeared lifeless when his mother called for help. Hanson and Station 5 firemen Herb Powell, Paul Hopkins and Jack Winter arrived simultaneously and the family doctor from San Francisco was summoned. Inhalation treatment by the firemen removed the tot from additional danger. The physician then revived the infant and had him ambulated to French Hospital.

It was a busy day for the firemen. When minutes counted, they were there.

Hanson, a life-saving specialist during his Navy days, explained that all Daly City firemen are trained to handle such emergencies. In the drama of life, they many times play leading roles.

Maintenance Man, 44, Succumbs Despite Firemen's Steady Efforts

Funeral services were held Saturday morning for 44-year-old Salvatore (Sam) Barrango, maintenance man who suffered a heart attack and drowned while cleaning a Westlake swimming pool last Wednesday morning.

Employed by Doelger Corporation, Barrango succumbed despite frantic efforts by five Daly City firemen.

Fellow-worker Robert Mann, 68 Maddux drive, Broadmoor, spotted the victim floating in the pool at 205 Palmercrest drive about 10:50 a.m. Mann dove in and removed Barrango, then tried mouth-to-mouth resuscitation as police and firemen rushed to the scene.

Then Fire Battalion Chief Mel Hanson, Capt. Bob Greenstrand and firemen John Roy, John Jacob and Paul Hopkins alternated in desperation attempts to revive Barrango. They used artificial respiration, eight tanks of oxygen with a resuscitator, and finally the ultimate technique of heart massage—60 movements on the chest per minute to stimulate the heart beat.

Barrango, however, was dead on arrival at Junipero Serra Hospital—about one hour after (Continued on Page 2)

THIS section of turf on Westmoor High's north lawn near Eastmoor avenue wasn't eroded by natural causes. Vandals soaked the strip with gasoline late Thursday and set it afire—burning in a huge Block J. It might be pointed out that Westmoor and Jefferson clashed in football the next afternoon. Some would call the above act one of "spirit." Others have a different opinion.

ZONING COMPLICATIONS, PETITION

Mary's Help Hospital Transfer Plans Rolling Despite Site Problem

Daly City, Pacifica and South San Francisco representatives met with Mary's Help officials Saturday and pledged full support in the transfer of the hospital to Daly City where a \$10 million new facility is proposed.

Sister Mary Hermine, Mary's Help administrator, said there was "exceptional enthusiasm" during the conference with Father Timothy O'Brien, archdiocesan director of hospitals, Mayor Frank Pacelli of Daly City, Mayor Harold Feyge of Pacifica, Councilman Leo J. Ryan of South San Francisco, and Frank Curry of Daly City's Chamber of Commerce.

Due to a complication over clear title to the 7½-acre site in Daly City, Sister Hermine indicated that a new site may have to be obtained, "but if this should be necessary, we intend to locate it in the same area of Daly City."

Two months ago the Mary's Help Administration delivered a \$265,000 check for the hospital site, purchased from Hugh Smith, Jr. and his brother George, sons of one of Daly City's first mayors.

The problem over the clear title is that one of the three

parcels of the hospital site is in a designated R-1 area—part of the original Stoneston subdivision which includes 250 homes at present. A change of zoning on the hospital parcel would be required to obligate it for hospital usage, and this change might involve lengthy litigation to establish clear title.

A handful of homeowners near the hospital site, according to Mayor Pacelli, have started a petition against the hospital zoning. Pacelli said he had not seen the petition, "but I have heard one is being circulated."

Nonetheless, Sister Hermine and the city representatives don't intend to change their objective for a hospital site that will serve Daly City, Pacifica and South San Francisco.

At Saturday's meeting, Dr. Sanford Marcus of Westlake, long-time leader for an adequate hospital in this area, discussed redistricting the north end area into a separate hospital district, thereby paving the way for Hillburton funds—state and federal monies that are made available for hospital construction to priority areas.

By separating the north end area from the existing Peninsula Hospital District, the Mary's Help assistance funds will be given higher priority. This priority is based on population needs.

Sister Hermine, explaining that a major fund drive to assist the hospital campaign is needed next year, said application for Hillburton funds and the rebonding request will be made in January.

First increment of the new multi-storied hospital will include 250 beds.

Daly City's easterly plateau site below San Bruno mountain was determined the most ideal because of its access to transportation, position apart from a congested area, and the natural beauty and tranquility of the site.

Martorana Pledges 'Stronger' Group

CHAMBER ENDORSES SCHOOL BONDS IN 'STORMY' SESSION

Daly City's Chamber of Commerce last Thursday went on record supporting "yes" on elementary and high school bonds next February 7 after one of the hottest meetings the group has experienced in many years.

Newly installed president Frank Martorana and vice president Frank Curry, promising a vigorous new program to make the Chamber "more effective and less of a social club," were overruled by the majority in attendance on the school bonds endorsement.

Martorana, exchanging heated comments with pioneer Chamber secretary-manager Pete Markovich, expressed his

intention of a firm new policy for the Chamber in the community "to do something for Daly City's commerce and industry and not engage in politics."

Markovich's request early in the meeting for immediate Chamber endorsement of school bonds support fused the fireworks.

Martorana said the Chamber should invite qualified persons to explain the school issues, "both pro and con arguments should be heard, then the Chamber should make its decision."

Markovich answered: "The Chamber has always endorsed (Continued on Page 2)

Council Will Meet Early Next Monday

Daly City councilmen will meet in study sessions at 5 p.m. and in regular public meeting at 8 p.m. next Monday at City Hall, 75 Wellington avenue.

W'moor-Oceana Student Gov't Leaders Shine

Westmoor-Oceana High Schools' student leaders ably demonstrated student government procedures before a capacity crowd of over 250 persons recently at a recent PTA meeting at the Westmoor High School.

Pal Noll, unit president, conducted a speedy business session including announcements of appointment of Mrs. Randy Hix to the PTA inside publicity chairmanship and membership drive activity under direction of Mrs. Edward Perry. To date the drive has hit a total of 566, parents and friends, which leaves 184 memberships still open. Applications may be obtained by contacting Mrs. Perry, (PL 5-8508) or the schools' Principals Glenn South or Harold Tonini, (PL 6-3434).

The highlight of the program started with general introductions made by presiding student officers, Judy Clearwater, vice president, Westmoor High and Ron Ball, president of Oceana student body. Student officer participants were as follows:

Westmoor: Rena Bialos, secretary; Lyn Burkey, treasurer; Susan Del Sarto, head agitator; Frances Schrum, judge; Jim Gray, commissioner of clubs; Ruth Thomas, commissioner of publicity and Pat Hunter, head yell leader.

Oceana student group included Donna Morrison, vice president; Roberta Michelson, secretary; Bartley Kerr, commissioner of athletics; Betsy Curtis, commissioner of rallies; Jim Boyette, president of the junior class and Shirley Day, commissioner of clubs.

Agenda included a short explanation of the individual high school student officers' functions and duties in relation to the student body activities. The youth leaders then discussed recommendation to be made to student body for cooperation with the PTA's for December 3rd PTA annual holiday dinner event.

The evening's program concluded with hospitality period conducted by Mrs. Bruce Norton, chairman, in the Westmoor High School cafeteria.

California irrigates more than seven million acres of cropland.

Catholic Women Invited To Annual Westlake Service

A Day of Recollection will be held at Our Lady of Mercy church in Westlake on Saturday, December 3, for all the women of the Parish and their friends. Reverend Father Robert Leonard, S.J. will be the moderator for the day.

Mrs. Robert Wagner, Spiritual Director for the Westlake Catholic Women, has announced that Mrs. James Burton is chairman for this annual day of veneration. Tickets, priced at \$2 each may be obtained from Mrs. Burton at Plaza 6-5128. All women of the parish of Our Lady of Mercy, located at 1 Elmwood Drive in Westlake, are urged to attend.

The day will begin at 9 a.m. with Mass being offered at 11:15 a.m. A warm lunch will be served in the parish hall at noon for the women present. The Rosary will be recited at 1:15 and Benediction will bring the Day of Recollection to a close at 3 p.m. Father Leonard will hold conferences during the day, and answer any questions presented by the women.

Church Finance Consultant Speaks

The San Francisco Peninsula Southern Baptist Association's Pastors Conference will have the pleasure of hearing one of their church's distinguished leaders at 9 a.m. November 28.

The Reverend Dr. Gabriel Guedj, of Fresno, will speak before the group in the First Southern Baptist Church of South San Francisco, 800 Grand Avenue, South San Francisco. Dr. Guedj is Director of Endowment for the California Baptist Foundation, which is an agency of the Southern Baptist General Convention of California. He was at one time pastor of the Brooklyn Temple of Brooklyn, New York and is now an outstanding consultant on methods of church finance.

The Reverend Delmore F. Olson, pastor of the First Southern Baptist Church in San Mateo, and President of the Pastors group, will be in charge of the meeting. The Reverend Lloyd Burdette, pastor of the Immanuel Baptist Church in South San Francisco, will have charge of the entire program.

School Bonds

(Continued from Page 1)

bane. In the Daly City-Colma area, vice chairmen are Mrs. Elisabeth Brawley, 217 Bellevue avenue, and Frank Zanini, 53 Garibaldi street.

Harry Bosbery, 126 Westlawn avenue, Daly City, is the general finance chairman. He will be assisted in the Daly City-Colma area by Mrs. Helen Morton, 322 Glenwood avenue, and Peter J. Markovich, 6454 Mission street.

Markovich also will be endorsements chairman, assisted in Daly City-Colma by Mrs. Elsie Garrison, 324 Northgate avenue.

Mrs. Vincent Murphy, wife of Daly City's postmaster, 516 Midway avenue, is chairman of the "Get Out The Vote" telephone-transformation committee. Her assistant is Mrs. Larry Green, 620 Clarinda avenue.

The block-by-block committee chairman for Daly City-Colma is Mrs. Jack White, 689 Templeton avenue. Mrs. Peter Pappas, 121 Village Lane, and Mrs. Mayre Albert, 3 Royce Way, are her aides.

Publicity chairman in the Daly City-Colma area is Mrs. Stanley Weiner, 214 Wilshire avenue. Overall publicity chairman has not been determined as yet.

These Daly City-Colma volunteers will work on the Jefferson elementary and high school issues as one objective, while the chairmen in Pacifica, Bayshore and Brisbane will support the high school bonds.

Both Daly City school superintendents, Richard Foster and Edward Morgan, explained the function of the executive committee at last week's session.

Monday night this week Morgan and trustee chairman Loyal Ingersoll were in Brisbane helping to organize the drive there. Brisbane voters will decide two issues—the high school bonds and a request for \$375,000 in local bonds and a \$900,000 state loan—money needed for enlargement of an existing school and the construction of a new school to serve Southern Hills subdivision of Daly City.

Morgan will be at Bayshore November 29 and in Pacifica next Wednesday evening to organize the drive there for support of high school bonds.

The overall executive committee consists of: Daly City-Colma—Bosbery, Mrs. Brawley, Mrs. Green, Mrs. Garrison, Markovich, Mrs. Morton, Donald Leshner, Mrs. Murphy, Mrs. Weiner, Mrs. Pappas, Zanini and Smice.

Pacifica—Mrs. David Ellison, Mrs. Glenn Gibson, Dr. Jerry Miles, Cornel H. Van der Meer, M-Sgt. Philip Wells, and Levinson.

Brisbane—Rigler and Mrs. Ruby Gylfe.
Bayshore—Lieberst and Mrs. John Pleskach.

Legionaires Plan Christmas Program

A very interesting, festive and enjoyable evening for Eighth District American Legion Auxiliary members and friends will be Tuesday, December 6. The meeting will start at 8:30 p.m. sharp, with Alpha Egan, president, presiding, in Room 314 at the War Memorial Bldg. Van Ness avenue and McAllister street, Mrs. Marion Allen, Eighth District Rehabilitation Chairman, will speak a few appropriate words on this important program of

J.E.S.D. EDUCATION CENTER BUILDING TO COST \$249,699

Jefferson Elementary School District officials will become landlords instead of tenants next summer with the completion of a new education center at the corner of Lincoln and Lakeshire in Westlake across from Daly City Fire Station No. 5.

Trustees Monday night awarded the construction contract for the district headquarters building to the lowest of six bidders, Stenmark Construction of San Francisco. Stenmark's base bid for the building itself was \$203,400, and the company's total asking price was \$249,699.

High bidder, Leon Carlen Construction, submitted a base bid of \$231,600 and a total request of \$276,632.

The district the past four and one half years has rented offices at 48 Park Plaza drive in Westlake, second floor of the Medical-Dental building, from Henry Doelger at \$500 per month.

The Education Center will cover 13,000 square feet, housing offices for the superintendents, consultants, coordinators, central clerical staff, and will include a business office, board room, conference room, library, and a large book room.

Architect for the facility is the American Legion Auxiliary, Zane Irwin Unit No. 93 is Hostess Unit for the Christmas party and refreshments. Community singing of Christmas songs by all present, followed by the arrival of old St. Nick himself, with the exchange of Christmas gifts, followed by delicious refreshments will complete an evening of fun and enjoyment for all. All members and friends planning to attend are urged to bring a gift so that no one will be overlooked when Santa passes out his presents.

Funeral arrangements were coordinated by W. C. Lasswell and Company. Rosary at the chapel Friday evening was followed Saturday morning by Mass at Holy Angels Church in Colma.

Burial was at St. Joseph's Cemetery at Rio Vista.

A 12-year resident of Daly City at 424 Castle street, Mr. Barranco was a veteran of World War II. He was born in San Francisco.

He is survived by his wife, Eva; 14-year-old daughter Lauren; his mother, Mrs. Mary Barranco; a brother, Earl; and sisters, Mrs. Virginia Andrack and Mrs. Dorothy Schug. Other relatives include his grandmother, Mrs. Lena Lapadura, and his wife's parents, Mr. and Mrs. Pietro Baroni of Rio Vista.

Funeral arrangements were coordinated by W. C. Lasswell and Company. Rosary at the chapel Friday evening was followed Saturday morning by Mass at Holy Angels Church in Colma.

Burial was at St. Joseph's Cemetery at Rio Vista.

Murphy indirectly agreed with the new president about the need of a stronger Chamber operation.

"Our primary function is to work for more commerce and industry," said the postmaster. "The Chamber isn't here just to be popular. We should take strong stands for the good of the community despite controversy that might result."

Murphy specifically noted that the Chamber was responsible for getting the city council to continue railroad projects through without weighing decisions at length.

Martorana referred to two previous Chamber endorsements—sales tax and the recent Callan Park annexation—both of which "backfired" as far as the Chamber was concerned.

The Chamber of Commerce three years ago first opposed Daly City sales tax, then completely reversed its position and campaigned for its adoption.

Callan Park was defeated by a 2-1 majority of Daly City voters this summer despite an endorsement for the annexation by the Chamber and four of five city councilmen.

Martorana, long-time Mission street auto dealer, and insurance man Markovich disputed the role of the Chamber. The new president stated the Chamber should not become involved in political disputes (such as Callan Park) "because this isn't the function of a Chamber of Commerce."

"We are here to do something for Daly City's business and industry... steps that will improve community conditions and will effect betterment for residents," Martorana declared. "Instead of merely operating as a social club—as in the past—I think it's time the Chamber performs its function."

Murphy countered Martorana's references to "political endorsements" with: "Our by-laws contain no clause which prohibits our support of school bond elections."

Bank manager Parkes Harris supported Curry and Martorana and said the board of directors should weigh the school bond proposal first, then refer it to the full membership.

Murphy and Markovich stuck to their guns, however, and Murphy's motion that the board of directors meet immediately after the membership meeting to vote for the endorsement was approved. The board of directors' vote was unanimous.

Martorana, his tone serious throughout the meeting, followed through on his "new policy" for the Chamber in the meeting by leading off with two immediate projects—reactivation of the Chamber's transportation and parking committee, and appointment of a committee to investigate the possibility of obtaining state and federal buildings for Daly City.

Mission street merchants for many years long have protested the lack of off-street parking. Martorana feels the Chamber must give this program serious follow-through. Mayor Frank Paccelli, spearheading a "rehabilitation" drive in the Mission district, has invited merchants and Chamber representatives to a meeting November 28 at City Hall.

Martorana feels Daly City's commerce further will be stimulated if state and federal buildings are located here. This project will involve conferences with state and federal officials.

Murphy indirectly agreed with the new president about the need of a stronger Chamber operation.

CHAMBER

(Continued from Page 1)
school bonds. It isn't a political issue."

Postmaster Vincent Murphy backed Markovich, insisting that an immediate vote by the membership was proper under the Chamber's by-laws, and "I don't feel the membership has to wait for the board of directors to decide the issue first."

Explaining that he wanted the school tax outlook outlined "so we can make an intelligent decision," Martorana pointed out "the trouble with the Chamber in the past, in my opinion, was that 'it has made snap decisions, showing a lack of intelligence with decisions that have been based without all the facts in mind.'"

"I don't think the Chamber should continue railroad projects through without weighing decisions at length."

Indians Battle SSF Warriors In 'Big Game'

Improved but winless Jefferson (0-8) and revived South San Francisco clash this Wednesday night on the SSF turf in their annual Big Game—a tilt that will decide which will occupy the Peninsula League basement. Kickoff is 8 p.m.

Coach Joe McGrath's young but hustling Indians lost by only one point to town rival Westmoor last Friday, 14-13, while South City broke into the win column for the first time with a 25-14 surprise over Mills. SSF is 1-5 in PL standings.

Jeff is shooting for its fourth straight win over the Warriors in the annual classic. And with QB Bob Miller back in stride along with fullback Al Casciaco, McGrath is hopeful for Jeff's first win in the finale.

Jeff outgained highly favored Westmoor and overcame a 14-0 first quarter lead to race the Rams right down to the wire. Ed Crowley missed on his second extra point attempt and that was the ball game.

The Central Pacific Railroad Company of California, destined to build the first transcontinental railroad, was organized June 28, 1860 with a capital of \$8,500,000.

oil to split sales tax funds 50-50, half for capital improvements and the rest to reduce the property tax.

Attendance at last week's meeting wasn't exceptional. Only 20 were present when Martorana outlined proposals for the next 12 months and recommended committee appointments.

Markovich, Ray Logan and Fred Martin are working on the city's 50th birthday celebration committee. Martin and Logan also will handle the annual Miss Daly City contest, and Markovich, assisted by Joe Sarto Jr., will again supervise the annual Chamber golf tournament at Lake Merced.

High school board chairman Elio Fontana will coordinate the Chamber's second annual "Youth Achievement Awards Banquet," in which Daly City's scholastically superior students will be honored and presented plaques.

"Citizens of The Year" night also will be revived, and Markovich suggested Murphy as the Chamber's chairman.

Markovich said the event was dropped last year because the Chamber cancelled its summer meetings. He suggested Councilman Joseph Verducci as one of the next honorees, citing Verducci's recent selection as Northern California "Coach of the Year" and his retirement from the collegiate coaching ranks.

Eligible for the "Citizens of The Year" awards are residents who have performed exceptionally—police and firemen included.

Markovich nominated Hugh Smith Jr. to coordinate the Chamber's study of industrial potential in the Crocker hills east of town. Markovich explained that South San Francisco also is interested in expansion to the Crocker estate "and Daly City could use this land for tax-rich light industry."

Harris said he would report on Daly City's new billboard ordinance at the next Chamber meeting. This has been of concern to the Chamber for several years.

The Chamber's December feature will be its Christmas luncheon, with Curry and Fontana in charge. Fontana said he would invite the Jefferson High School choir.

Treasury report last week for the Chamber showed a balance of \$3586.21.

A membership drive probably will be launched the first of the new year, and judging by Martorana's pronouncements, 1961 may be the most significant in the seven-year history of the Daly City Chamber.

Presto! Change "br-r-r" to "m-m-m" with quick, quiet electric heaters. They make chills vanish... ideal for those cold zones—like hard-to-heat or added-on rooms. There are many new ideas in electric heat besides individual portable heaters: built-in wall units, baseboard, perimeter floor inserts and radiant ceiling cable. Installation cost is low. And operation cost averages only about 7½¢ per square foot per year! Look into modern electric heating soon.

Bank Of America Syndicate Buys \$965,000 In High School Bonds

A Bank of America N.T. & S.A. underwriting syndicate has purchased the \$965,000 bond issue of the Jefferson High School District. The Bank of America group paid a premium of \$449 for a combination of 5% 3%, 3 1/4% 3 1/4% and 3 1/4% bonds, or a net interest cost to the district of 3.66%. The bonds were offered to investors to yield from 2.10% to 3.8%, according to maturity, December 1, 1962-1981.

The bonds are the fourth offering from an issue authorized by voters in 1957. Proceeds will be used for various school purposes. About 53% of the high school district's assessed valuation is in Daly City, and about 19% in the city of Pacifica.

Bank of America underwriting syndicates finance a major share of the school requirements of growing California communities. The bank and its associates the past 12 months bought more than \$697 million of California state and municipal bonds.

Members of the bank syndicate which bought the \$965,000 Jefferson High School District bonds were: Harris Trust and Savings Bank; Dean Witter & Co.; Merrill Lynch, Pierce, Fenner & Smith, Inc.; William R. Staats & Co.; E. F. Hutton & Company; Stone & Youngberg; Irving Lundberg & Co.; Lawson, Levy, Williams & Stern; C. N. White & Co.

Post Office Hires Reserves, Awaits First Days Of Rush

It's that time again. And each year it seems to come earlier. The Christmas Mailing Period. We're talking about. Even though Christmas is ever a month away by the calendar, it's Christmas every day in the Post Office from now on.

Postmaster Vincent P. Murphy of Daly City has this to say:

"Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas. Post Office facilities have been expanded, extra help will be available, and everything is geared up to handle a record holiday mail in Daly City this year."

Postmaster Murphy offers a few additional words of advice: Don't take chances on mailing poorly wrapped packages.

Use sturdy corrugated mailing cartons, plenty of wrapping paper and strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the contents.

If you have articles of unusual size or bulk, it pays to check with the Post Office before attempting to mail them. The limits of size and weight of packages vary, depending on where you mail them from.

Always send Christmas cards by First Class Mail and be sure to include your return name and address on each Christmas card envelope.

Send all Christmas mail going long distances before December 10.

Mail "Early and Often" for a merrier Christmas.

FACTS ON INCOME TAX

You Can Deduct 'Contributions' Up to 30% Of Your Gross Income

Now is the time to decide when to pay your charitable contributions.

Contributions, to be deductible for 1960, must have been paid in 1960. It is not enough to have pledged to contribute at a later date. Payment must have been made in 1960.

Your charitable contributions are deductible up to 30% of your adjusted gross income provided that at least 10% is to churches, educational institutions or tax exempt hospitals. Otherwise your contributions are deductible up to 20% of your adjusted gross income.

Payments in money or property are equally deductible. If a contribution was made in property, the amount of the deduction is the fair market value of the property at the time the contribution was made. This has interesting possibilities. Assume that you purchased a piece of real estate for \$5,000 in 1940 and that you made a contribution of this piece of real estate in 1960 and its fair market value at the time of the contribution was \$10,000. You receive credit for the contribution of \$10,000 but you do not pay tax on your gain of \$5,000. It does not matter if the recipient of the contribution immediately sells the property. All forms of property may be contributed—stocks and bonds, automobiles, furniture, fixtures, equipment, clothing, etc.

Merchants can contribute items from their stock in trade and the deduction is the fair market value of the merchandise contributed. Merchants also are required to adjust their cost of goods sold to eliminate the cost of the merchandise contributed, so that they do not get a double deduction.

To be deductible your contributions must be to a religious, charitable, educational, scientific or literary organization; or an organization for the prevention of cruelty to children or animals, except when such organization is operated

Ex-Navy Pilot New Brisbane School Trustee

Appointment of Allen B. Rigler, 312 San Bruno avenue, Brisbane, to the Brisbane (Elementary) School District governing board has been made by County Schools Superintendent James R. Tormey. Rigler will fill the post vacated by Curtis H. Richards Jr., for a term which expires June 30, 1961.

Rigler was recommended unanimously by the citizens' nominating committee consisting of Mrs. Ruby Gylfe, chairman; Mrs. Ellen Bhand, Michael Nagy, Jack Grabovsky and Stowe Webber. A resident of the area the past fifteen years, Rigler and his wife, Lenore, have three children all of whom attend elementary school in Brisbane. After attendance at the College of San Mateo, Rigler received a commission in the United States Navy in 1944, serving as a pilot. He is now technical supervisor for the Pacific Gas and Electric Company, working out of San Francisco.

Active in civic affairs, Rigler has devotedly worked for the success of bond elections in his district and is currently on the Jefferson Union High School Committee for the February 7 bond election.

Letters To The Editor

Times-Record Publicity Helps

Dear Mr. Bradshaw:

Many thanks for the publicity re our Toys For Tots show held November 10 at the Marines' Memorial Building in San Francisco. KIP Workshop has had the privilege of doing shows in an ever-widening area. — Sonoma, The Harvest Moon Festival; San Francisco, July 4th celebration on the Marina Greens; Pacific Festival, United Nations show; four times at the Fisherman Wharf Fiesta, among others.

The aid and cooperation of the RECORD and WESTLAKE TIMES has been invaluable, and many requests and inquiries have come to us as the result of an article in your publications.

We have also been heard of as far away as Miami, and Fort Lauderdale, Florida, and have received inquiries about KIP units there and in other areas. We are attempting to attract more adults as workers, and will soon launch a fund raising drive, in order to cope with the tremendous amount of interest shown in KIP, KIP now has a very fine group of adult performers as well as youth.

Charles Vincent, Superintendent of Parks and Recreation for Daly City, has extended his generous support of worthwhile causes to include the sister city, San Francisco, thus creating goodwill and precedent. Vincent has given permission to KIP to use the Daly City War Memorial Community Center for their show November 28, without charge, in order that a generous number of toys may be given to the Toy Workshop of the SF Fire Department for repairs and distribution. The toys, of course will be donated as the price of admission to the KIP show. Many thanks to Mr. Vincent and the Recreation Commission of Daly City.

Thanks again, and kindest regards.
Sincerely,
Kay Irvine

An Open Letter To The Residents Of Daly City
Dear Editor:

A 13-year-old child was dying.

It was Xmas, 1959.

KIP Workshop, with your help, and the aid of many others, arranged a complete Xmas for the child, Carmel Cresci of San Bruno, and her family. On January 15, 1960, the people of Daly City turned out in great numbers to attend a show called Salute to Carmel, and this show realized enough money to pay for the hospital bills for Carmel. She underwent surgery. Two months later, reports were that she no longer had to have the frequent blood transfusions that had been life savers.

Now, Carmel, for the first time in her 13 years of life, walks. She walks because of your love and generosity. Despite other crushing burdens the Crescis are looking forward to this Xmas as their happiest, because their child is recovering and is on her feet, walking! Carmel wishes to thank all of you in person; she wants you to see what you have accomplished.

Carmel will be guest of honor at the KIP show to be given at the Daly City War Memorial Building on November 28, at 8 p.m. She wants to help others. The show is being given to collect toys for needy children. That will be the price of admission. One toy—or more—new or used, but repairable. These toys will be given to the San Francisco Fire Department, for distribution to needy children.

This is Carmel's Xmas gift to other children—will you come and join her in giving? Just one toy, please.

Sincerely,
Kay Irvine
KIPHAVEN.
So, San Francisco

More Polio Shots At Ben Franklin On December 3

Broadmoor American Legion Post 824 today announced plans for its seventh polio shots day at Benjamin Franklin School in Colma.

Commander Dick Napoleano said the \$1 inoculations will be given again on Saturday, December 3, from 9 a.m. to 4 p.m., "and all residents of the greater Daly City area are welcome."

December 3 will be the time for persons who got their first shot on November 5 to get the second in the series of four. First, second, third and booster shots will be available on December 3.

Persons who got their first shot last May should return January 7 for shot number three.

Doctors and nurses volunteer their services in the Broadmoor project.

Friends Of Library Membership Drive Gets Good Results

The November board meeting of Friends of the Library was held last Thursday at the home of Mrs. Edward Stites on Northgate.

A report by Mrs. Frank Kelechava, treasurer, indicated that the recent membership drive has resulted in an encouraging number of new members. Upon being questioned by Mrs. Thomas E. Brewer, president, regarding the first few days of the new library, City Librarian San Chandler said that public response "was nothing short of overwhelming."

Gertrude Kendree made a report on the progress of the Thursday Matinee Book Reviews, of which she is chairman, and will feature Mrs. Marian Rowe in December. Mrs. Samuel Stein, corresponding secretary, agreed to write a get-well letter to Meridith Orloff, vice-president, whose illness had prevented her from attending the meeting.

Mrs. Samuel Stein, corresponding secretary, agreed to write a get-well letter to Meridith Orloff, vice-president, whose illness had prevented her from attending the meeting.

Also present were Mrs. Julian Cohn and Mrs. Tibby Torres.

Westlake Soldier Serving In Germany With 8th Division

Army Pfc. David S. Charleston, son of Mr. and Mrs. William W. Charleston, 188 Wilshire avenue, Daly City recently participated with other personnel from the 8th Infantry Division's 68th Armor in annual training tests in Germany.

The tests are conducted under simulated combat conditions to determine the efficiency of the 68th, an element of the NATO shield of defense in Europe.

Charleston, a clerk-typist in the armor's Second Battalion in Baumholder, entered the Army in November 1958, completed basic training at Fort Ord, and arrived overseas last August.

The 19-year-old soldier attended Westmoor High School, and was employed by D. Zelinski & Sons, San Francisco, before entering the Army.

APPROXIMATELY 100 prominent citizens recently heard High School Supt. Edward Morgan (standing), Elementary District Supt. Richard Foster (far right) and High School Board Chairman Lyl Ingersoll explain local needs in February 7 school bond election. The 22-member citizens executive board last week named Bob Smole, Westlake resident, general chairman in the "Yes on Bonds" campaign. David Wiley photo

Sandra Calavano Is Jeff High's 'Good Citizen'

The Daughters of the American Revolution "Good Citizen of the Year" at Jefferson High School is senior Sandra Calavano, who now advances to regional competition.

Sandra has an A-minus average at Jeff in her university preparatory program. She has been class president, a pep girl, and active in several student clubs and activities.

Also nominated for the DAR award were Gabriela Melendez and Gail Kaleiki.

Sandy next takes a U. S. History test in competition with students from other schools.

Miss Calavano was chosen for the DAR award on the basis of dependability, service, leadership and patriotism.

County's Crusade Drive Reaches Seventy-five Percent Of Goal

Reporting that the United Crusade of San Mateo County has reached 75 per cent of its goal in the 1960 campaign, Kermit L. Williams, campaign chairman, today advised volunteers that "it is not quite time to push the panic button, but we'll all have to redouble our efforts if we are to meet our obligation to our member agencies."

At its fourth report luncheon, the San Mateo County Crusade collected \$513,227. It has a goal of \$683,849. On a percentage basis, the local campaign ranks about even with the five-county United Bay Area Crusade, being led by Alameda County which was at 79.5 per cent and San Francisco, at 75.3 per cent. The total United Bay Area Crusade had reached 78 per cent of goal with donations of \$8,770,544.

Mrs. Donald Allen, San Mateo county Residential division chairman, lead division volunteers in individual reports which totalled 69.4 per cent of goal with donations of \$154,100.

Most outstanding report in the division came from Bayshore where volunteers have raised 103.94 per cent of goal.

The Public Employees division, led by John C. Keefe, stood closest to its campaign goal with 90.3 per cent, or \$24,303.

Other divisional reports: Construction, L. C. Smith, chairman, 82.6 per cent with \$25,001; Commerce & Industry, H. K. Pohlman, chairman, at 78.9 per cent with \$248,551; Professional, Lyle Edson, chairman, at 71.1 per cent with \$20,471; Education, at 69.4 per cent, with \$21,346; and Business, Howard Miller, chairman, at 57.4 per cent with \$19,455.

During the meeting, students from the College of San Mateo presented the San Mateo Crusade with \$340 which was raised in a special "Slave Auction" at the campus. "Slaves" who were sold for the highest bids were Miss Pat Waska, of Burlingame, and Gus Amarillo of San Mateo. Auctioneer, Gary Callan of San Mateo, made the presentation, accompanied by

Westlake Boy Scores High In National Exam

A Westmoor High School student has been honored by a letter of Commendation for his excellent performance in the National Merit Scholarship Test last spring.

The boy, Ron Townsend, ranks with the top 1% of the students who took the scholarship qualifying exams. Ron had a score of 99 percent in this national-wide examination, and although he did not win an initial merit prize, he will be considered for other scholarships through the National Merit Program.

"The letters of commendation provide tangible recognition of commended students' high ability," asserts John M. Stalnaker, President of the National Merit Scholarship Corporation.

The NMSC has two main objectives: to single out unusually intelligent students at a high school level and to give these students guidance and financial support toward a higher education.

Merit Scholarships consist of four years of education at any college or university in the United States.

The boy, Ron Townsend, ranks with the top 1% of the students who took the scholarship qualifying exams. Ron had a score of 99 percent in this national-wide examination, and although he did not win an initial merit prize, he will be considered for other scholarships through the National Merit Program.

Auto Merchants: Time To Renew Your Business License!

Business license renewals for 10,000 California auto dealers and wrecking firms are due on or before November 30, advises Robert McCarthy, State Director of Motor Vehicles.

Application forms were mailed to members of the group late in October. McCarthy says, and several hundred vehicle manufacturers and transporters were also circulated. A registration fee statement for each vehicle used in business by every dealer was sent out in early November.

"The license renewal period for individuals and firms extends through the entire month of November," the Director states. "If delinquent, the renewal fee becomes subject to penalties under the law, and the Vehicle Code also provides that any firm in this industry which neglects to apply for a 1961 license before January 1, will be subject to cancellation of the license. This means that the license application then would be treated as a new one, with cost of a required investigation and special license plates added to the fees."

McCarthy said he issued the public reminder in the hope of helping firms engaged in the industry to avoid incurring the penalties established in State law.

W'MOOR 'BURNED' DESPITE VICTORY OVER RIVAL JEFF

Westmoor decided Jefferson's varsity gridders last Friday by a 14-13 count at Jeff but the "spirit" wasn't confined to the athletes on the field or rooters in the stands.

Late Thursday night, raiders—presumably from Jeff—soaked a section of the Westmoor campus lawn just off Eastmoor avenue and burned a 15-foot-high "J" in the turf.

Police officer Phil LaBruzzi spotted the blaze about 10:50 p.m. while on patrol and radioed for firemen who doused it quickly. An empty five gallon gas container was found nearby.

Community Christmas Bureau Makes Annual Appeal To Assist The Needy

All needy families in San Mateo County to receive some expression of community good will at Christmas time — this is the goal of the 1960 Community Christmas Bureau as formulated in a meeting of representatives of social welfare and health agencies, held in Burlingame at American Red Cross headquarters.

Present were Mrs. Arthur Wall, 1960 bureau chairman; Mrs. Jack Naud, bureau supervisor; Mrs. Ernest Pohlhammer, 1959 bureau chairman; Miss Dorothy Abbey and Mrs. Leona Peltier, Catholic Social Service; Mrs. Helen Leavy, Miss Sheila Patrick and Miss Harriet Barnes of the American Red Cross; William Greenbaum of the Children's Health Home; Sam Heppner, Salvation Army; Mrs. Rose Kugland, Miss Elsie Davies and Mrs. Naomi Hagerty of the Department of Health and Welfare of San Mateo County; and Miss Margaret Ruetell, Executive Director of the Volunteer Bureau of San Mateo County.

Also present was Adrian Ward, founder of the former Adrian Ward Christmas Fund from which the San Mateo County Community Christmas Bureau has developed.

It was announced that 700 letters were sent out through the Volunteer Bureau to county-wide groups and organizations asking them to direct their projects through the Christmas Bureau in order to prevent needless duplications and omissions.

Lt. Col. H. L. Mabie and Robert Jones, assistant to Colonel Mabie, explained the annual Marine's "Toys for Tots" drive and discussed procedures for distribution through the Christmas Bureau.

The Christmas Bureau operates as a clearing house for information and referrals of need within the county and encourages donations to troubled families and individuals who have been referred by welfare or health agencies.

Armstrong, whose mother, Mrs. Emma Martin, lives at 96 Evergreen ave., Daly City, entered the Army in May 1960 and completed basic training at Fort Ord.

Armstrong is a 1954 graduate of Jefferson Union High School in Daly City and is a 1958 graduate of San Francisco State College.

Investment Course Beginning Nov. 28

Is now the time to buy stocks or bonds? Perhaps no one knows the exact answer, but armed with knowledge that can be acquired from the Stocks, Bonds and Mutual Funds class beginning November 28 at South San Francisco Adult Education School, 400 "B" street, South San Francisco, one's chances of making the "right" decision is greatly increased.

Stocks, Bonds and Mutual Funds will be taught by Laurence Solari, Jr., an expert in the field. Remember—before you play a game you expect to win, it is wise to know the rules.

AROUND TOWN

By ROY HURLBERT

LAST week's Chamber of Commerce meeting demonstrated that there will be some healthy differences of opinion under the new leadership of president Frank Martorana, Mission street auto dealer.

Martorana believes in a stronger Chamber of Commerce—one free of politics and willing to "work" for Daly City. The Chamber and the city council together—instead of either party on its own—can get more things accomplished here.

THERE will be no discrimination by Daly City officials in hiring new employees for whatever department.

Councilman so decreed when it was disclosed a representative of the Fair Employment Practices Commission made an inquiry about an applicant of a minority group who was high on the list but wasn't hired here.

The explanation was simple, according to the city manager. The department head chose from the top three on the exam and "discrimination didn't enter the picture."

JUDGING by the prolonged concern over the final Kennedy-Nixon and Callan-Fitzgerald returns, wouldn't it be a lot wiser to count all absentee ballots in ADVANCE of the regular precinct tallies?

FROM "The Binder," bulletin published by the Jeff High School District's Teachers Association.

The National Education Association Journal conducted a "Teacher Opinion Poll" on the question—should teachers on their own time work actively as members of political parties in national elections.

Fifty percent of the school mums said yes, 34 percent said no, and 16 percent were uncertain.

NOVEMBER the 30th is annual fall "Ladies Day" at the Daly City Rotary Club meeting at the Olympic Club.

Rotarians are asked to bring their wives "even if they don't have a title to wear."

The bulletin editor had better re-examine that last statement.

COUNCILMAN Joe Verducci retired from coaching Saturday as his SF State College gridders defeated Chico State and finished with a 9-1 seasonal record.

Only sour note was a protest by Humboldt State students who felt their Phil Sarboe should have been Northern Cal's "Coach of the Year."

Humboldt State finished 10-0 and won the Far Western Conference crown by nipping Verducci's team, 21-18.

The sportswriters thought highly of Sarboe, but they also had to reward Daly City's Joe for an outstanding "finale" season.

Come to think of it, Joe did a better job than Sarboe. After all, Verducci lost half of his '59 squad and still came within an inch of repeating as conference champion. Also, Humboldt State recruits players like hotcakes.

PAT STRASSER of Colma, winner of the Miss Daly City beauty title in 1959, got more publicity last week from her stint on the Golden Gate bridge than she received in the downtown dailies during her reign here.

The attractive young model, apparently despondent about her professional career, almost was a suicide victim. In fact, only her high heels saved her from toppling off the span into the foggy waters below.

MAYRE and LeRoy Albert, 3 Royce Way, are the "meeting" married couple in town.

The pair attend all the city council, school board and commission meetings.

Their interest in local affairs is phenomenal.

Too bad there aren't more people with similar enthusiasm.

SOME pretty talented neophytes comprise the Daly City Players' cast for "Hay Fever," Dec. 9 and 10 at Daly City War Memorial Community Center.

The Players realized some success this year in their first effort, "The Tender Trap," and all they need is good attendance to spur them on to new heights.

This is a definitely "local" group and warrants consideration.

GONE is another Daly City-Colma personality, Gus Sebastiani, long-time proprietor of San Pedro Lunch.

Gus died over the weekend. A heart attack several months ago forced him to retire from his popular business.

Sebastiani, uncle of 38-year-old Police Athletic League coach Ralph Matteucci who also was a heart victim this month, was a generous, expressive guy with a legion of friends.

He sponsored many youth teams and was exceptionally popular with Jefferson High athletes and officials for those Italian-style banquet meals.

PENINSULA sportswriters this season had one heck of a time spelling the name of Jefferson High backfielder Al Cascideo. It often came out "Cascideo," "Cascideo," "Cascideo," and "Cascideo."

Honestly, Al, the scribes knew who you were!

And so did the opposition.

HOSPITAL BENEFITS

From Mink Coats To Canned Goods In Third Annual 'Hope Auction'

Everything from mink coats to canned goods will go on the block at the third annual Auction for Hope, November 28-30 in Oakland to benefit the City of Hope's fight against catastrophic diseases.

On sale will be new and antique furniture, appliances, television sets, carloads of toys, men's clothing from leading manufacturers, mink and beaver coats, cases of canned food, and kitchen ware and home accessories.

Some of the furniture pieces are antiques from fine homes in Piedmont, Hillsborough and elsewhere in the Bay Area. Other goods on sale have been donated by merchants and manufacturers.

One Hillsborough matron, who is moving to southern California, has turned over all the furnishings of her mansion to the auction.

The Auction for Hope is the big annual event of the Forty Live Oaks, a group of 20 East Bay couples who support the pilot medical research and treatment at the City of Hope National Medical Center at Duarte, California.

It will be held at 124 Grand avenue, Oakland. Preview sessions are set for 1 to 5 p.m. on November 26 and 27 when prospective bidders may inspect the items to be auctioned and receive catalogues listing all articles and date when they are to be sold. The sale will begin at 6:30 p.m. on November 28, 29 and 30 at 124 Grand avenue. An hour-long toy sale will open the event each night, with the general auction to start at 7:30 p.m.

President Frank Goodman of the Forty Live Oaks pointed out that beneficiary of auction would be the City of Hope's research and treatment in such killer diseases as cancer, leukemia, blood and heart ailments. Victims of catastrophic diseases, who are referred by their physicians from all over the nation, receive free treatment or consultative service at the City of Hope.

West, South, North Represented At Oil Convention

Nearly one thousand petroleum retailers and their wives from the seven-state West Coast Marketing Division of Mobil Oil Company and dealers from as far away as Texas and Minnesota participated in the Mobil Dealer Convention held in Las Vegas, November 17-18.

Among these were Daly City residents Mr. and Mrs. Mel Christoni, John E. Prentice and Tom Bruchard.

Mobil dealers made up one-half of the total roster of speakers on the program which featured discussions of subjects of both professional and personal interest to the attending dealers. Outstanding national speakers and Mobil Marketing executives from Los Angeles and New York made up the balance of the agenda.

A major feature of the convention was panel discussions wherein Mobil dealers discussed their experiences in business management and in sales boosting methods.

According to the oil company, the affair is in no sense a sales meeting, but is a full-fledged convention which gives the dealers an opportunity to think about and talk about their roles as individual businessmen.

MICHAEL BUELL (center), Dennis Buell and Steven Santoro (right) were big winners in Cub Pack 259's first Pine Wood Derby. Mike won first place, Steve was second, and Dennis took third. Broadmoor Police

Folk And Square Dance Festival

Polkas from the Philippines and Scandinavia, waltzes from Scotland and Austria, a cazaras from Hungary, tangos and a tarantella, are blended in the program of the S. F. Recreation and Park Department's free folk and square dance festival presented by the Mission Dolores Belles & Beauz, December 4, 1:30 to 5:30 p.m., at Eureka Valley Playground Gym, 18 and Collingwood streets in San Francisco.

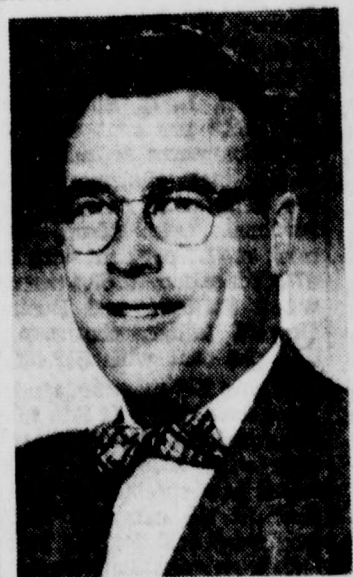

Square dance callers will be Harlan Beard, Ed Kroll, Pete Lydon and Ursula Mooney. Everyone is invited to enjoy the dancing or to "just watch."

Myra Paulsen, William Caldwell Win Scouting's 'Order Of Merit'

The San Mateo County Council, Boy Scouts of America, held its annual recognition dinner for Northern District Scouters on November 15 at United Air Lines.

The affair was attended by 200 gaily dressed Scouters and their wives. Attire for the event depicted Scouting's 50-year history.

Annual "Order of Merit" went to two outstanding youth leaders, Mrs. George (Myra) Paulsen, den mother from South San Francisco, and William Caldwell, area commissioner.

WILLIAM CALDWELL

Scout Tim Tweedie of Colma Troop 259 received Scouting's highest award—the Eagle Scout Award.

Presiding at the dinner was Harold Monozon, Northern District chairman. Council president Marron Kendrick was the honored guest.

Den mother awards went to Lorraine Burke, Pack 77; Ruth Pershing and Marian Ekers, Pack 80; Mary House, Pack 84; Anne Brunetti, Pack 253; Irma De Martini and Louise Cloonan, Pack 259, and Helen Ragland, Pack 276.

Scouters awards were received by Alfred Wilmes, Troop 80; John Williams, Pack 84; John Immel and Ferris Brunetti, Pack 253; Rennie Thomas and Tom West, Pack 259; Lawrence Janisch, Troop 288, and Vincent Minnie and Harry Horn of the Commissioner's staff.

Scouters keys were presented to Richard McDonald, Troop 80; William Cloonan, Pack 259, and George Paulsen, Pack 276. Receiving Arrowhead honors were Commissioners Bruce Dippel, William Butler, Earl Pero and Ted White.

First class awards were given to Troops 77, 80, 129, 259, 276, 279, 294.

National camping awards went to Troops 77, 79, 84, 129, 276, 277, 279, 294, 298.

HUMAN ERROR

Human error was the cause of more than 85 per cent of all fatal traffic accidents in the United States last year, reports the National Automobile Club.

Oceana Gridders Topple Unbeaten Cap Jayvees In A Corker, 25-21

Oceana's Seahawks (soon to be Terra Nova's Tigers) pulled a cliff-hanger on Capuchino's JV's. Trailing 21-18 with seven seconds remaining in the game and with the ball in enemy possession, Oceana scored a touchdown to win a game.

It wasn't easy. First, defensive end Bob Hensley had to crash through a rugged Cap line which was determined to protect its punter on a fourth and 10 situation. All that needed to be done was to get the ball in the air and the game would have been over. But Hensley prevented that by blocking the ball. Next, somebody on Oceana's side of the line had to pick the free ball up and run-non-stop 40 yards to the goal line. That's what defensive half Dewey Melton did. Final: Oceana 25, Capuchino 21.

Capuchino was matching a perfect 5-0 season against Oceana's 3-3 record in the latter's first season of play. Oceana, however, carried the game to Cap in the first half, leaving the field with a 12-7 halftime lead.

The Caps bounced back to take advantage of sloppy Seahawk play after the intermission to charge to a substantial 21-12 lead at one point. But Oceana fought back with another t.d. and then added the beforementioned "cliff-hanger" play.

Outstanding for Oceana were middle guard Larry Chewing, tackle Bob Evans, guard Dan Gentry, ends Bob Pettit and Tom Swinger, and halfbacks Fred Mason and Jim Boyett.

Quarterback Don Katona continued to improve his passing game.

Dennis Lanterman's surprisingly good cross-country team ended its season spectacularly in the Peninsula League championships.

Mike Peak set a new league record in winning the freshman race. Jim Beeler won the junior varsity race, and Steve Little and Dan Vincent picked up medals in the sophomore division.

Second Half Duck Season Applications Can Be Made Now

While the second half of the California waterfowl hunting season does not open until December 10, hunters may now file applications for reservations on public waterfowl shooting areas for any of the shoot days in this period.

The Department of Fish and Game pointed out hunters may file applications for reservations only once in each half of the 1960-61 season. Each reservation entitles the recipient to take one guest with him. The partner chosen must be over the age of 16, and must not have hunted on the area during the half of the season covered by the reservation. Each permittee over 21 and each guest over 21 may also be accompanied by one minor under the age of 16.

Applications for reservations must be received 10 days in advance of shooting dates at the Department's Sacramento headquarters, 722 Capitol avenue. For the December 10 shoot date these applications must be received no later than November 30.

Here are other shoot dates for waterfowl areas and deadline dates for applications to be received in Sacramento:

NURSES INVITED TO SF MEETING ON 'DISASTERS'

All nurses are invited to a meeting that will highlight the latest information on nursing in natural and enemy-caused disasters, November 30 at 7:30 p.m. at Red Cross headquarters, 1625 Van Ness avenue, San Francisco.

Dr. Cecil Coggins, Chief of the Medical and Health Division, California Disaster Office, will speak on the subject of "Nursing and Modern Warfare." Lt. Col. Edna Ross, Chief Nurse, Sixth Army, will discuss "Nursing in Mass Casualty Care." Dr. J. Gordon Teter, Chairman, Medical and Nursing Disaster Committee, San Mateo Red Cross, will review the various roles of the nurse in natural and enemy caused disasters. A question period will follow.

The program, which has the endorsement of the San Francisco Nurses Association, will be co-chaired by Elsie Gates, Vice Chairman, Medical and Nursing Disaster Committee, San Francisco Red Cross, and Budd Buszek, Chairman, Disaster Committee, San Francisco Red Cross.

Barbershop Groups To Serenade Public In Fund Concert

Those who love real oldtime barbershop harmony will get their chance to hear the Bay Area's best quartets and choruses Saturday night November 26 in San Francisco at the Masonic Temple, California and Taylor streets.

President Ken McElroy of the local chapter of S.P.E.B.S.Q.S.A. (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America Inc.) announced that the annual concert will benefit the Cerebral Palsy fund of the Elks Lodge.

The Bay Town Four, Far Western finalists and high-ranking in international competition, will be featured. San Francisco's well-known Cable Car Chorus and their feminine counterparts, the Sweet Adelines, will also perform.

Abe Lincoln Students Elect With Fanfare

Students at Daly City's new Abraham Lincoln School have elected their student body president and treasurer. Candidates for president were Ken Krogstad, fifth grader, and Shay Abbey, sixth grader. Abbey was the successful candidate. Mike O'Keefe, fifth grader, won the office of treasurer. Gary Brown, fourth grader, and Frank Frisch, were his opponents.

All candidates carried on campaigns in their own behalf by appearing before the school's classes during the two days prior to the election. Abbey, the new president, campaigned on the strength of his age and experience. Ken Krogstad appealed to the students on the basis of his youth and new ideas.

The final vote for each candidate was determined from the "electoral college" vote. A representative group of students of the school recently established the electoral votes which each of the rooms in each of the grades might cast. Rooms in grades one and two were allowed three electoral votes; those in grade three were permitted nine; and in grades four, five, and six each room had 19 votes. The candidate winning the popular vote in each room received that room's electoral vote.

Mike Pennings, fifth grade teacher, will be in charge of the school's new student council, and will assist these young people in their experiences in self-government.

SEVENTEEN-year veteran Robert L. Granger has joined the Navy recruiting office staff at 6705 Mission street, Daly City. His last duty was aboard the nuclear sub U.S.S. Sargo on a trip to the North Pole. A native of Iowa, Granger and his Arizona-born wife have four daughters. The family reside in the Westlake Terrace section of Daly City.

St. John's High Guild Announces Fall Luncheon

Ursuline Guild of St. John's High School for Girls will hold its final fall luncheon with games on Tuesday, November 29, at 12:30 p.m. in the school auditorium, 4056 Mission street. Co-chairmen are Mrs. Lewis Phillips and Mrs. James Tannlund. The committee serving the hot luncheon will be under the direction of Mrs. Hilary Vidosh and Mrs. John Baca.

Congress Of Parents & Teachers Cites Importance Of Family Life

Education for family living has the support of the California Congress of Parents and Teachers. It is desirable that this be an integral part of public education from elementary school through high school, according to Mrs. C. H. Culbertson, president of the California Congress of Parents and Teachers.

The primary importance of family life and particularly the child-rearing role of the mother should be emphasized. Education in this field is a major responsibility of the home, church, school and other community agencies. Each must make its contribution. Training for parental responsibility was discussed along with other proposals made by the White House Conference on Youth earlier this year which were considered at the November 16-17 meeting of the State Board of Managers, C.C.P.T., in Los Angeles.

Other proposals to be followed by the PTA are community provided services to protect children through child guidance clinics and case work activities, retention by the local community of control of public schools' courses of study, re-evaluation of existing health services to establish actual needs in various areas of the state, and a unified effort by community organizations to acquaint children with basic causes of alcoholism, according to Mrs. Culbertson.

Principal goals in California's Aid to Needy Children Program should be to strengthen family stability and protect children

for whom the program exists, according to a statement adopted by the Board of Managers on Los Angeles. Because the program is under consideration, C.C.P.T. re-evaluated the program.

Prosecution of mothers receiving aid illegally and of fathers pretending to desert their families is mandatory. However, because there are some chislers, C.C.P.T. doesn't believe the entire program should be condemned. Parents who decide to separate shouldn't find it too easy to shift responsibility for support of children to the taxpayer. Coordination of public and private services is urged.

There is no doubt that some children now receiving aid under the program are illegitimate. If the situation in the home is flagrant, legal action can be taken to declare this an unfit home for children, and foster home care should be provided. C.C.P.T. supports supervision over aid payments to assure that the funds are not mis-managed by parents.

Next Matinee Book Review December 8

Due to the Thanksgiving holiday, the Friends of the Library have not scheduled their customary Thursday Matinee Book Review for November.

The December Book Review will be held Thursday, December 8, at Westlake Bowl, 10-11:30 a.m. It will feature Mrs. Marian Rowe of the KPIX Adventure School, in a discussion of books suitable for Christmas giving to children.

Co-sponsored by the local YWCA, the Matinee Book Reviews, now in their second year, have been one of the most successful of the Friends of the Library's projects, and Friends' president, Mrs. Thomas E. Brewer, stated again that all are welcome to attend. There is no charge.

As an added reminder that the shopping days before Christmas are getting fewer, the Westlake Toy Circus will have a display of a few of their most popular toys. Coffee will be served, courtesy of Westlake Bowl, and baby sitting is provided.

PUBLIC INVITED TO GRADUATION OF BLIND DOGS

Residents of the Bay Area are invited to the graduation ceremonies at 2:30 Saturday afternoon, November 26, on the campus of Guide Dogs for the Blind, Inc., on Los Ranchitos road, two miles north of San Rafael.

Five blind men and women and their guide dogs will be graduated as a culmination of a four-week in-residence training course at the unique Marin County school.

With the exception of Delton M. Boyer of Omaha, Nebraska, all members of the class are Californians, three of them Bay Area residents.

Robert B. Allbee of Richmond will be graduated with German Shepherd "Peggy." Mrs. Harold Slusher with German Shepherd "Sandra." "Shane," the third Shepherd in the class will graduate with Boyer.

Miss Lois Anderson of San Jose will be honored along with Golden Retriever "Blixen"; Mrs. Marcia Marolda of Long Beach with Labrador Retriever "Owen."

Guide Dogs for the Blind, Inc., offers a Guide Dog and the four-week course to any qualified blind person in the 24 Western states and Canada, free of charge.

PENSION LAW INQUIRY MADE BY VETERAN

Q—Before the new pension law went into effect, I was getting pension from VA as a disabled World War I veteran. This September I received a bequest which will put my income for this year above the legal limit. When I again become eligible to receive pension may I return to the old system of payment or must I come under the new law?

A—You may continue to receive payments under the old law, so long as you tell the VA immediately of this excess income you have received. To protect yourself in your right to get pension under the old law later on, do not wait until the end of the year to report income to VA.

Q—A neighbor of ours, a veteran holding GI insurance, has been hospitalized for some months and another person has been handling the payment of his insurance premiums for him. Does that person have the right to make any change in the way the premiums are paid, or to modify the beneficiaries of the policy in any way?

A—He definitely does not. The policyholder himself is the only one in a case like this who can make any changes affecting premiums or the payment of proceeds to beneficiaries.

Q—In talking with other veterans I get the impression not everyone understands that compensation and pension are two different things. Will you define each kind of payment, as it applies to living veterans?

A—Compensation is payable to eligible veterans whose disabilities are DUE to service. Pension is payable only to eligible veterans whose total and permanent disabilities are not due to service.

Q—May a veteran change his Korean GI Bill program of training if his progress in his present course has not been satisfactory?

A—He may, providing he shows that the lack of progress was not due to his own misconduct, neglect or lack of application, and if he has not changed his program prior to that time.

\$2,750,000 Asked For Jewish Health, Welfare Institutions

A campaign to raise \$2,750,000 for the building requirements of Mount Zion Hospital and Medical Center, Jewish Community Centers in San Francisco, Marin County and the Peninsula, and a Group Residence for the Aged was launched today by the Jewish Welfare Federation.

Marco F. Hellman is chairman of the campaign, which is the first to be conducted by the Federation for local health and welfare needs since 1946. Hellman stated that the need for the present drive was indicated by two-year studies of Mount Zion Hospital, the three Jewish Community Centers, and the Federation's aged program. For Mount Zion Hospital and Medical Center, the campaign will meet three major needs: a new Out-Patient building, a 20-bed In-patient psychiatric unit, and more space for research, laboratories, and surgery and emergency room facilities.

Hellman said, "Although Mount Zion's patient load has increased 50% in the past 10 years, there has been no corresponding expansion of facilities to meet the strain on its operation. In addition, the hospital's Out-Patient building has been judged unsuitable for patient use."

"Construction of a new Out-Patient building will permit transfer of research facilities to the old building, bringing all research units together into an area double its present space," he said. "This move will allow re-arrangement of other departments in the hospital needing additional space." Hellman added that the campaign would make possible expansion of out-patient psychiatric facilities, as well as construction of an in-patient psychiatric unit, to meet one of the most urgent health needs in the Bay Area.

"As a result of this drive, Mount Zion will be able to offer an advanced program of hospital patient care, to accelerate its program of research into heart and cancer and other diseases and, finally, to keep pace with the demands of its

free and part-pay program as its share of responsibility for the health of the entire community."

The campaign will also meet a need for better recreational facilities for a growing Jewish population in this area. Hellman pointed out. Population growth and movement in San Francisco, Marin County, and the Peninsula have resulted in a corresponding demand for expanded leisure-time programs, he said, as well as facilities adequate to meet these needs.

"In San Francisco, the need for Centers services in the Sunset-Lakeshore-Park Merced area was demonstrated by a pilot project of extension programs for children launched in the Lakeshore district two years ago," Hellman explained. "The success of this project created a demand for services for all age groups, and resulted in the decision to build a facility in this area which could serve 3,000 members."

Facilities which will be included in the new Center building are club and game rooms, swimming pool, and gym-auditorium.

In addition to the new San Francisco Center, which will supplement the present Center building at California and Presidio Avenues, there will be a new Jewish Community Center constructed in the Hillsdale-Belmont area to serve residents of the Peninsula. The building campaign will also enable the Marin Jewish Community Center to build an addition to its present building, as well as an outdoor swimming pool.

Included in the requirements of the capital funds campaign will be a "midway" group residence for aged people no longer able to care for themselves in their own homes, but not in need of institutional or nursing care.

"The total requirements of this campaign are the result of long and careful study of community need, not only for the present, but for the next decade," Hellman said. "For this reason, we feel that the goal of \$2,750,000 is a realistic goal,

Toys Galore In Old Glory's Annual Bazaar

Ladies Auxiliary of Old Glory Post 2044, Veterans of Foreign Wars, invite the general public to its annual bazaar this Saturday, November 26, from 10 a.m. to 4 p.m. at Daly City Masonic Temple, Hillcrest near Mission.

Featured will be a huge selection of Christmas toys at reasonable prices, according to Auxiliary President Catherine Albertus. Emma Porter, bazaar chairman, is assisted by Marie Gehrig. They will present a luncheon at noon.

The toys include a sizeable electric train, according to toy chairman Ben Sendner. Commander Peter Becker and the men of the Post will be on hand and are giving the bazaar full support.

Christmas Tree Sales Here Will Aid Needy Families

The local Society of St. Vincent de Paul, through its president, John Muller, announced the opening on December 3 of a Christmas tree store at 6315 Mission street, opposite McGraw's Pharmacy.

A complete line of quality Christmas trees will be offered at reasonable prices.

Proceeds will be utilized in providing Christmas baskets for deserving needy families in this area.

Muller points out that this is a most worthy cause in which all the people of Daly City can easily participate by merely making their Christmas tree purchases at 6315 Mission street.

Observances At Hope Lutheran

Prior to digging into their turkey dinners with all the trimmings, members and guests of the Hope Lutheran Church will observe Thanksgiving in services at the church, 55 San Fernando Way, St. Francis Heights, at 10 a.m.

completely justifiable on the basis of need."

PATRICIA Ann Silver and David Bertram Dallmann are planning an August wedding

next year. The bride-elect is a second grade teacher at Daly City's Thomas Edison School.

She is the daughter of Mr. and Mrs. Harry C. Silver of Marysville, Calif. The groom's parents are the Rev. and Mrs. Bertram Dallmann, 1 Olympia way, San Francisco. The engagement was announced at recent dinner party at Holiday Lodge in San Francisco.

2500 Delegates Due In San Mateo For Three-Day Jehovah Session

Jehovah's Witnesses will hold a three-day circuit assembly in San Mateo, December 23-25. It was officially announced today by their governing body, the Watchtower Bible and Tract Society of New York.

The Floral and Fiesta Building at the San Mateo County Fairgrounds will be used for the occasion and upwards of 2500 delegates from the Daly City-San Francisco area, the Peninsula and Coastside are expected.

Harold Casperson, presiding minister of the Daly City Con-

gregation, said, "The assembly is not a revival but is held primarily to advance Christian Bible education."

The three-day program includes a variety of talks on Bible subjects. Groups of ministers will discuss ministerial problems and demonstrations will teach how Christians should conduct Bible studies. Sessions will be conducted morning, afternoon and evening, with a baptism of new ministers on Saturday afternoon.

The convention's theme, "Be Taught by Jehovah," will highlight the need for Christians today to pursue peace by education from the Bible.

Announcement of the full program schedule will be made in a few weeks. Casperson estimates that about 75 members of the Daly City Congregation will attend the San Mateo gathering.

Radio-TV Scholar To Speak On KSFO

Radio-listeners will have the pleasure of hearing from a talented young Daly City man over station KSFO this Sunday between 9:05 to 10 p.m. He is Paul Guaraglia, a student at San Francisco State college. Guaraglia holds a BA degree in broadcasting from SFSC and is currently working on his MA in the same field. He is also a charter member of Alpha Upsilon Chapter of Alpha Epsilon Rho, a national honorary radio-television fraternity.

The program features various announcers from the Radio and Television Department of the college who rotate on various Sundays in competition for cash scholarships, awarded by KSFO. Guaraglia calls himself "The Golden Voice of Silent Films" and has won several times.

Birthday Sabbath At B'nai Israel

This Friday, November 25, will be Birthday Sabbath at Congregation B'nai Israel. Services are held at 67 Los Banos avenue in Daly City and begin at 8:15 p.m. Rabbi Solomon A. Shore conducts the services. Religious School students whose birthdays fall during November will be honored during the services that will be followed by a social hour. Hostesses will be the Mmes. Sherman Cohen and Ed Nordson.

call Mrs. W. Stewart, PL 5-8511.

All women of the parish are invited to attend both functions.

Highest Scout Award Goes To 'Tim' Tweedie

The Eagle Scout Award, highest in Scouting, was presented to Broadmoor's Tim Tweedie on November 15 at the annual Scouters' Recognition Dinner of the Northern District, San Mateo County Council.

The citation was read by Ray Lichtenberg, district advancement chairman. Young Tweedie was introduced by Council Advancement Chairman Guido Rozzi, and the award was presented by John Pickens, Tim's Scoutmaster. A silver miniature Eagle was given to Tim's mother, while his father, the Rev. Herbert C. Tweedie of Broadmoor Presbyterian Church stood by Tim's Troop 259 of Broadmoor Village, attended for the presentation along with Assistant Scoutmasters James Quibell and Alfred McCarthy.

Tim went through three years of Cub Scouting and a year of Scouting at Roseville, California. While in the local troop he progressed from second class to the Eagle rank, and served as Troop bugler and Senior Patrol Leader. He also earned the "God and Country Award" in churchmanship. Tim is 15 and is a sophomore at Westmoor High School.

Great Interest In Meetings For Senior Citizens

As the result of great interest displayed in the meeting of Westlake's group of senior citizens last Wednesday, special arrangements have been made for additional meetings to be held every Wednesday, at the social rooms of the Westlake Community Baptist church, Elmwood Drive and Southgate Ave.

Twenty different states were represented by the Westlake residents who registered at the first meeting. Ages ranged from 60 to 80.

It is planned to hold these gatherings each Wednesday, beginning at 10:30 in the morning and continuing until 3:30 in the afternoon. Those attending may bring sandwiches for the noon hour, and coffee and tea will be served from the church kitchen.

Mrs. Alyce Madsen, who is in charge of the meetings, announced that all residents of Westlake in the older age or retired group, are cordially invited to attend, regardless of church affiliations.

A wide variety of games is being provided for entertainment. Community singing and several informal talks by the members of the group are being scheduled.

The enterprise is in line with what is being accomplished in San Francisco and other cities, to offer retired persons, both men and women, new interests, pleasant social contacts, and stimulating talk and entertainment. It is aimed to attract all of Westlake's retired persons to participate actively in these gatherings.

LOCAL VA OFFICE ANSWERS QUERIES ON BENEFITS

The Veteran Administration's Regional Office in San Francisco offers the answers to some frequently-asked questions concerning benefits due discharged personnel.

A bulletin recently issued through the VA's Office of the Manager at 49 Fourth street provides the following information:

Q—I am a Korea veteran discharged in 1953, and I am taking a correspondence course for college credits under the GI Bill. My eight-year-from-date-of-discharge will be up in 1961, but at the rate I am going I will not be able to complete my course in time. Can I get an extension from VA?

A—No. The law says you must complete your GI education within eight years from your separation from the armed services. Better try to work in the courses you need before your deadline.

Q—I need the record of my discharge from the Army in order to apply for a VA benefit but can't find the one issued to me. Can VA provide me with another?

A—No. To get a replacement for your lost discharge you should write to the Department of Defense, Military Personnel Records Center, 9700 Page Boulevard, St. Louis, Mo.

Q—I have a GI insurance policy and am entitled to take out the total disability income rider which would pay me \$10 a month per each \$1000 of insurance if I were to become disabled. Would these payments start from the date of my disability?

A—No. The total and permanent disability on which the rider pays policyholders must have been in existence six months before payments can be made. Payments would start with the seventh month after the disability occurred, but would continue during the time of the disability thereafter.

Q—I am now receiving pension from the VA, and have a right to switch to the new system of payments which took effect July 1, 1960. If I decide I want to switch over, is there any deadline before which I must make the change?

A—No. You may make the change any time. However, once you make it, your decision is final. So be sure you're right before you switch. See your nearest VA office if you need help.

San Mateo Course Aid To Investors

Registrations are still being accepted for the advanced class in investments being offered by the Extended Day Division of the College of San Mateo. Interested persons may enroll for the remaining four meetings of the class on Tuesday, November 22, in Room 14H at Coyote Point at 7:30 p.m. The class is held on Tuesday evenings from 7:30 to 9:30 p.m., and the registration fee is \$1.

The course is taught by C. William Russ, who is associated with Dean Witter & Company. It is designed to provide the lay investor with the proper tools for making more intelligent decisions regarding the bond and common stock portions of his investment portfolio. The class will consider common stocks, types of investors, detection and selection of growth stocks and some discussion of the market at this period.

Further information concerning this class may be obtained by calling the Extended Day Division office of the College of San Mateo at Diamond 2-1421.

A \$965,000 vote of confidence for the JEFFERSON HIGH SCHOOL DISTRICT

As a resident within the Jefferson High School District you voted to let the District issue school bonds. This was your vote of confidence in the area the District serves.

Bank of America and its associated investment dealers demonstrated the same confidence in buying the bonds—giving the District the money it needs for improved educational facilities.

Interest rates on the bonds were decided by competitive bidding—a procedure required by law to obtain the lowest average interest rate for the taxpayer under current bond market conditions. Interest rates also reflect the credit rating of your District.

We, at Bank of America, bid on nearly all municipal bonds issued in the State. We're particularly proud to play a key role in the development of the Jefferson High School District.

One thing that gives us confidence is that you and your neighbors wisely recognize the demonstrated truth: good schools benefit all citizens — those with and without children alike. The quality of a community parallels the quality of its schools. This is reflected in property values through the years.

You may be interested in buying Jefferson High School District Bonds as a personal investment. They offer the advantage of tax exempt income and are available in denominations of \$1,000. You can purchase these bonds through your local Bank of America branch—or contact our Municipal Bond Department in San Francisco or Los Angeles.

NEW ISSUE. \$965,000 Jefferson Union High School District, San Mateo County, California, 5%, 3%, 3 1/4%, 3 1/2% and 3 3/4% 1957 School Bonds, Series D. These bonds are being reoffered to investors to yield from 2.10% to 3.80%, according to maturity 1962-1981. These bonds are offered when, as and if issued and received by us and subject to approval of legality by our attorneys, a copy of whose legal opinion will be printed on each bond. A circular relating to these bonds is available from Bank of America. Names of other underwriters will be furnished on request.

Bruno Woman 'Heart Sunday' Drive Leader

Mrs. Norman Otto of San Bruno has been appointed North County chairman for the 1961 Heart Sunday residential campaign, February 22-26, with responsibilities for Bayshore, Brisbane, Colma, Daly City, Pacifica, San Bruno and South San Francisco.

The appointment was announced by Mrs. James S. Edwards of San Carlos, 1961 Heart Sunday chairman for the San Mateo County Heart Association.

City chairman for the North County will be announced shortly by Mrs. Otto.

In accepting the appointment, Mrs. Otto pointed out that personal Heart Fund contributions make possible the support of cardiovascular research in California, and aid scientists in clinics and university laboratories throughout the United States.

A native of Scotland, Mrs. Otto has lived in San Mateo the past 13 years. She is chairman of the Campfire Girls leaders' association, and active in PTA work. Mary and Norman have two daughters, Nancy and Julie.

Webster PTA Membership Now At 601

Daniel Webster PTA held its regular unit meeting November 16 in the school's multi-purpose room.

Girl Scout Troop 175 lead the salute to the flag. Mrs. Gladys Gould, first grade teacher, gave the character through.

Mrs. Del Wilson, president introduced special guests Tom Noonan, school trustee, and Fred Sweickhardt, Director of Personnel of Jefferson School District.

Membership chairman Mrs. Jack Bracisco reported a total of 601 parents and teachers during a regular meeting of the 17th District California Congress of Parents and Teachers. It told of a freshman entering a new school and related his experiences there with the need for proper student-teacher and student-counselor understanding.

Discussing the application of the film to actual present day problems which were submitted by the audience were: Kenneth V. Marr, Coordinator, Secondary Curriculum; Chester L. Maul, Coordinator, Guidance Research; and Lawrence J. Michiels, School Psychologist from the Office of San Mateo County Superintendent of Schools.

The film was a reminder that children differ from each other in their interest, previous school achievement, aptitudes for learning, and vocational aspirations. It portrayed parents and teachers attempting to adjust curriculum to the needs of Mike as a person, showing that he did not take off his personality when he entered the classroom. Individual differences cannot be eliminated, but they can be adjusted to.

Coordinator Marr elaborated upon the value of guidance in the school program advancing pertinent remarks that "High Schools must (a) educate all the children of all the people; (b) have curriculum offerings for all teenage children; (c) each child has individual strengths and weaknesses and there is a place for non-academic classes as well as academic. Mr. Marr pointed out that the film showed Mike as non-college student and some of the courses available to meet his needs.

Arrangements will be made by the PTA to purchase a large Christmas tree for the school and also a small tree for the kindergarten classes.

Sweickhardt lead off with a talk on punishment, discipline and guidance, and then the parents and teachers gathered in small groups and discussed these same subjects, then reported to the membership on their findings. Second grade mothers served doughnuts and coffee while the discussions took place.

A Christmas program will be held on Monday, December 12, at 7:30 p.m. in the multi-purpose room. The next business meeting will be held Wednesday, January 18, at 8 p.m.

NOTICE OF HEARING OF APPLICATION FOR VARIANCE UNDER MASTER ZONING ORDINANCE

NOTICE IS HEREBY GIVEN to the public and to the owners of property lying within 500 feet of the exterior boundaries of the property hereinafter particularly described that an application has been filed with the City Planning Commission of the Town of Colma by Cypress Abbey Company, a corporation, located in Colma, California, requesting a variance under the Master Zoning Ordinance of said City to permit the erection of a one-story frame building under Section 14 as more fully set forth hereinafter, to-wit, for rental, to be used as fruit and vegetable stand. This building will replace a present building to the north of the premises hereinafter described and upon completion of the new building the old building will be torn down and demolished. The new building is on an area 100' x 200', which will include parking area, the end of parking area will be 440' from the Serbian Cemetery and the building will be approximately 615' from the Serbian Cemetery. Building dimensions to be 20' x 75', 10' high in rear and 15' high in front. Back of fruit stand to face Olivet Memorial Park, front or open end to face South. Building to be set back 25' from property line, property line being approximately 17' from edge of present pavement. Parking area to be paved to edge of street with a gutter. Application is made under Section 14 as more fully set forth hereinafter, to-wit, for the purpose of carrying on the business of selling to the public fruit and vegetable produce.

The aforementioned parcel is a portion of land situated in the City of Colma, County of San Mateo, State of California, bounded and described as follows, to-wit:

An area 200 feet by 100 feet deep on Hillside Boulevard commencing at a point approximately 260 feet southeasterly boundary of the presently improved Olivet Memorial Park and running from said point 200 feet along the easterly side of Hillside Boulevard and to a point approximately 440 feet from the Serbian Cemetery.

A public hearing on said application will be held on Wednesday evening, December 7, 1960, at the hour of 7:30 P.M. at the City Council Chambers, City Hall of Colma, situated on the West Side of El Camino Real at Jewell Avenue in the Incorporated Town of Colma, State of California.

Dated This 23rd day of November, 1960.

P-T Congress Views Film On Student Guidance

The importance of adequate student guidance in American schools was the subject of an illuminating film shown at the Burlingame Intermediate School recently.

The film, entitled "Mike Makes His Mark," was shown during a regular meeting of the 17th District California Congress of Parents and Teachers. It told of a freshman entering a new school and related his experiences there with the need for proper student-teacher and student-counselor understanding.

Discussing the application of the film to actual present day problems which were submitted by the audience were: Kenneth V. Marr, Coordinator, Secondary Curriculum; Chester L. Maul, Coordinator, Guidance Research; and Lawrence J. Michiels, School Psychologist from the Office of San Mateo County Superintendent of Schools.

The film was a reminder that children differ from each other in their interest, previous school achievement, aptitudes for learning, and vocational aspirations. It portrayed parents and teachers attempting to adjust curriculum to the needs of Mike as a person, showing that he did not take off his personality when he entered the classroom. Individual differences cannot be eliminated, but they can be adjusted to.

Coordinator Marr elaborated upon the value of guidance in the school program advancing pertinent remarks that "High Schools must (a) educate all the children of all the people; (b) have curriculum offerings for all teenage children; (c) each child has individual strengths and weaknesses and there is a place for non-academic classes as well as academic. County Heart Association Tells Co-chairmen For Annual Drive

County co-chairmen for the Heart-Days-for-Business campaign of local business firms and professional offices have just been announced by Robert B. Lytel, 1961 campaign chairman for the San Mateo County Heart Association.

"Just as in 1960, we have decided to divide the responsibilities for this important Heart program among four men," said Lytel. "They will work both individually and as a team in telling about the heart disease threats to the well-being of both business and industry."

Robert A. Tarver, Burlingame attorney and member of the Heart Association's board of directors, was re-appointed co-chairman, with responsibilities for San Mateo, Burlingame and Millbrae. Prominent in community activities, Tarver is currently a member of the College of San Mateo's board of trustees.

Richard Liberty of San Bruno, clerk of the municipal court, Northern Judicial Dis-

trict in South San Francisco, will be co-chairman for San Bruno, South San Francisco, Daly City and Pacifica.

Emmett Cashin Jr., Atherton resident and president of Fox & Carskadon Inc. realty firm in Redwood City, was also appointed co-chairman with responsibility for Menlo Park and East Palo Alto.

Dr. George W. Miners of Redwood City was appointed co-chairman for Redwood City, San Carlos and Belmont.

City chairmen for the individual cities will be announced shortly.

In commenting about the Heart-Days program, Tarver said, "on the nation's economic balance sheet, the heart and blood vessel diseases are responsible for the loss of more than 69,000,000 man-days of production each year. This amount is estimated in excess of one billion dollars."

Cashin noted that "these losses involve men and women in the 45 to 65 age brackets, people who have reached key positions in our business economy."

On the medical side, Dr. Miners said that medical research, supported by contributions to the Heart Fund, has produced new and improved methods of diagnosing, treating and controlling heart and blood vessel disorders. "As a result, more hearts than ever are being saved, and more cardiac patients are going back to work, often to the same jobs," he said.

Heart-Days-for-Business will be conducted during the two weeks period starting February 14.

Presbyterian Will Address Teenagers At Temple Judea

The JOY group of teenagers of Temple Judea will present Reverend Clark Edwards of the Presbyterian Church who will speak on "What A Presbyterian Believes." This is one on a series of speakers on Comparative Religion that the Youth group has invited in their Cultural Series Program. The meeting will be held at the Temple Judea Meeting House, 95 South Mayfair on Monday evening November 28, at 8 p.m. Refreshments will be served.

This Friday parents and their children will worship together in a family unit, at an 8 p.m. service taking place at the Westlake Community Baptist Church, on Southgate Avenue and Elmwood Drive in Westlake. Services are conducted here by Temple Judea because of the usually large attendance for Friday evening services. At the Family Worship Service, Rabbi Joseph Glaser, regional director of the Union of American Hebrew Congregations will officiate in place of Rabbi Shapiro, who has been asked to serve for this weekend only at the newly formed congregation in Monterey, California.

Rabbi Shapiro's course in Reform Judaism will continue on Wednesday November 30th, at 8 p.m. The Temple is pleased to announce that 42 members of the congregation have enrolled in the study course. The course is open to members of the congregation only, as it is the dialogue between members and Rabbi and the means of study and experience. The second semester of the Adult Education Course will be announced in the Spring.

New members of the congregation have their children integrated into classrooms through means of teacher communication with the new parents and child. Those who are not yet affiliated with Temple Judea may have their children wholeheartedly integrated into the classroom situation though the school year has commenced.

Temple Judea has developed a Religious School class for juniors and seniors in high school under the direction of Dr. Paul Ucker, who leads them in discussion of Comparative Religion in comparison and contrast to Judaism. Meetings take place regularly at 10 a.m. on Sundays at the Temple House.

Dinner Dance At Fairmont Aids 'Hungry'

Sale of tickets is being launched for the benefit dinner dance at the Fairmont Hotel on Saturday, November 26, on proceeds to go to the St. Anthony Dining Room.

Featured guest will be Danny Thomas who readily accepted the invitation to help commemorate the fifth millionth free meal served by the ten-year-old charitable institution which has become known for its care of those in need as "The Miracle of Jones Street."

Mayor George Christopher has proclaimed November 21 to 27 as "Miracle of Jones Street Week" to honor the ten year anniversary of the dining room which provides a direct type of charity. People are helped instantaneously. No questions are asked of the some 1600 persons who come for a hot nourishing meal every day — six days a week. In addition, the dining room provides medical care, lodging and an opportunity to work.

Tickets for the dinner dance with a social hour at 6, dinner at 7 and dancing until 2 can be obtained by contacting Faith Kelle, Douglas 2-5849.

Abraham Lincoln PTA Hear Two School Officials

Richard Foster, superintendent of schools, addressed the Abraham Lincoln School PTA meeting on November 15. Foster discussed the buildings which have been under construction, in the Jefferson Elementary School District, and how many more buildings and teaching staff will be needed in order to better educate our children in the future.

Dr. Vinton Stratton, superintendent of curriculum, for the Daly City-Colma area, also reported to us on the report card philosophy. The different methods as well as grading symbols used in evaluating our children were presented to the group.

At the conclusion of these addresses an enthusiastic audience asked many questions.

Guy E. Allen Ends Marine Training At Camp Pendleton

Marine Pvt. Guy E. Allen, son of Mrs. Eileen Allen, 655 San Diego avenue, Daly City, completed four weeks of individual combat training Nov. 4 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

St. Martin's Hosts Social December 6

Tuesday, December 6 is the evening set by St. Martin's Episcopal Church, Southgate avenue, in Daly City, to have a holiday theme card party. Several attractive awards have been donated for the event, and Mrs. Jean Brugge, hostess and chairman, promises a highly entertaining evening. Tasty refreshments will be served by Mrs. Matt Lowenstein and Mrs. Tony Michalis, Guild representatives.

Games will include bridge, canasta, whist and pool. Admission is 50 cents for the evening, starting at 8.

Unusual Pageant Promised Westlakers At Winter Frolic

There are only ten days left in which to buy tickets to the "Winter Frolic," first social event in the Westlake Winter Festival. The dance will be held November 26 at the Westlake Auditorium and will be preceded by a surprise entertainment feature entitled "Fashions Flambeau" beginning at 8:30 p.m. Detailed information on this special feature cannot be released at this time but persons arriving at the auditorium early are promised a colorfully provocative overture to the evening's festivities. They will also enjoy hors d'oeuvres prepared by chef "Cardini" Fambrini.

Those who wish to purchase tickets may call one of the following: Frank Clifford, PL 5-4852; Victor Sartiotti, PL 5-3509; Ray Forcina, PL 6-2251; or Al Fambrini.

Mothers' Club Plans Election, Christmas Party

The election of the 1961 officers of Bethel 198 Mothers' Club will be held Friday, December 2 at 8 p.m. in the home of president Stella Jensen, 490 D Street, Colma.

Following the business meeting, there will be a Christmas party at which time gifts will be exchanged by members present. Club members planning to attend many contact one of the hostesses for the evening, who are: Mesdames Waunite Merkel, DE 3-4672; Margaret Payne, PL 6-3354; Fern Jacobson, PL 5-4913; and Charlotte Chapman, DE 3-5451.

Gump's, San Francisco, known to art collectors around the world for the rarity and distinction of its wares, was established in 1865.

Lutheran Church Asks Support For New College

A special offering will be made at Our Redeemer's Lutheran Church's Thanksgiving Day services to help establish a liberal arts college in Thousand Oaks, California, opening in the fall of 1961. The California Lutheran College will be underwritten by five Lutheran Synods: American Lutheran Church, United Evangelical Lutheran Church, Evangelical Lutheran Church, Augustana Lutheran Church and United Lutheran Church. Our Redeemer's share in the new college for the year 1960 is \$1000.00.

Thanksgiving Day services at Our Redeemer's, situated at El Camino Real and Southwood Drive, South San Francisco, will begin at 10:00 a.m. and include a sermon entitled "Catalog Your Blessings."

Irvin Tweed, Pastor, announces two identical worship services will be given Sunday, November 27, at 8:30 a.m. and 11:00 a.m. His sermon will be "Is This for Me?" The Pastor urges families to enroll in Sunday School. The Church offers classes for both children and adults.

Stanford Director To Speak On Nursing Education

California will need some 70,000 new nurses by 1970, according to the findings of State study committees. How this need can be met will be explained November 30 by the Director of the School of Nursing, Stanford University.

Miss Grace Ringressy will discuss "California's Needs in Nursing Education" at the annual dinner meeting of Unit C, California League for Nursing, which will be held at the King's Bowl Dining Room, El Camino Real and Millbrae avenue in Burlingame.

Anyone interested in nursing may call Mrs. I. Lingeman at JU 9-5222, if they wish further information about membership or this meeting.

Daly City Marine Participant In 'Pack Mule' Project

Marine Pvt. Richard T. Curry, 86 Hillcrest drive, Daly City, is serving with the First Marine Division, from Camp Pendleton, participated in a huge amphibious operation, known as Exercise "Pack Mule," off the coast of California.

Navy and Marine units totaling 41 ships and 15,000 men were involved in the operation, from Oct. 26 through Nov. 4.

Highlights included an actual landing by a crack Marine battalion against a mock-missile installation on San Clemente Island; laying and use of an underwater wire telephone system; and the installation and use of a special system to facilitate the delivery of fuel directly from tankers to the forces on the beach.

In addition to the American submarines, aircraft, underwater demolition teams, etc., participating, ships of the Canadian Navy Mine Force also took part.

HAWAII

Hawaii has more than 170,000 automobiles registered, reports the National Automobile Club.

'Christmas Boutique' Next Fashion Show At Westlake Bowl

A crispness in the air, changing color of the landscape, an excited look about children, and a hurry that could mean nothing less than Christmas is with us again.

The YWCA is happy to co-operate with the holiday season in presenting the magic world of "Christmas Boutique." Featuring a buffet luncheon, fashions from Miss Teen and Lass and Laddie Shops, and a holiday gift display, the December 1 afternoon show promises to set the month off to a spirited start.

The Westlake Bowl will host

the 1 p.m. guests right on the gleaming alleys as the YWCA Bowling League is sponsoring the show. Maxine Sweat, chairman of the league, will also head the arrangements, and Virginia Straight will assist Mr. and Mrs. Scott, owners of Miss Teen and Lass and Laddie Shops, in the fashion department. Doing the commentary will be Mona Baker.

A limit has been set as to the number of reservations taken, so it is imperative that you call the Y now at PL 6-7370 for your table.

TV and Radio

By Mona Baker

International recognition has come to Westlake's Dr. Earl S. Herald, program host of California Academy of Sciences award-winning "Science in Action" (KRON-TV, Mon. 7 p.m.), who leaves this week for Europe. He is chief of the American delegation to the "Congress International d'Aquariologie" (conference of aquarists from 30 countries) which meets in Monaco from November 21 to 26.

As chief of the American representatives, Dr. Herald will address their Highnesses Princess Grace and Prince Ranier. The Prince, honorary chairman of the Congress, has been interested in aquatics since his grandfather founded the Monaco Institute of Oceanography—one of the world's important research centers in the field.

In addition to attending the conference, Dr. Herald will tour seven European countries visiting sixteen aquariums. Since the noted scientist will be gone for a month, three of his "Science in Action" programs have been taped in advance. Dr. Robert Orr will host the December 5 program on seals and sea lions.

Several weeks ago a new show, "Baghdad By the Bay," premiered over KGO-TV (Sun. 11 p.m.). The program holds promise of being one of the bright new stars in the local TV picture. There are several plus ingredients that make for an entertaining show. The celebrities appearing on the program have been outstanding and combined skillfully to present a wide variety of viewpoints which keeps the program moving. The informality of the show is refreshing and the idea for the program excellent.

On the debit side of the ledger, we think it is too late for most people. Two hosts on the program are at times confusing and it might prove more effective to have Mr. Winter host the program one week and Mr. Caen the next. Actually, the host should be there to spotlight the guests and direct questions while soft-pedaling his own personal opinions. Also we haven't made up our mind as to whether either man possesses that magic and elusive quality that makes for a showman, which is as important to a conversation program as any other show.

NEWS BRIEFS: Good news from KGO Radio—KGO-FM is now signing on with KGO-AM at 5:30 a.m. weekdays with duplicate programs which means you can have stereophonic music all day by placing your FM set a few feet from your AM.

Outstanding television, CBS special "The Influential Americans" over KPIX last week which highlighted progress in the educational field with vivid classroom scenes, gifted teachers and bold new public school teaching experiments.

Premiering over KQED two new programs, a new "live" series "World Press" (Mon. 9:30 p.m.) interrupting world reaction to U.S. election and new science series "This Week In Science" (Thurs. 8 p.m.)

Westmoor Survives Indian Uprising, Wins 14-13

FORMER JEFF HURLER

Pittsburgh Pirates Ink DC's Jim Wilson For Dakota Farm Club

Jim Wilson, a 20-year-old south paw who three years ago was Jefferson High's third best moundsman on Coach Steve Mezzera's North Peninsula championship club, last week was signed by the world-champion Pittsburgh Pirates.

The 5-11, 170-pounder, a two-year baseball letterman at College of San Mateo, will make his professional debut next

JIM WILSON
... big future?

spring with the Pirates' Grand Forks (North Dakota) team of the Northern League.

Wilson was inked to an "undisclosed amount" contract by

Pittsburgh's Pacific Coast scout Bob Fontaine.

Mezzera of Jeff today admitted he was "surprised to hear of Wilson's opportunity with the Pirates."

"Jim was just average pitcher with Jefferson and worked behind right handers Paul Tapia and Gary Ryan," recalled Mezzera. "Wilson quit our team his last season because he couldn't pitch more often."

"We, of course, wish him the best of luck, and apparently Pittsburgh must think he has settled down and has potential."

Mezzera added that Wilson's record at College of San Mateo "also was about average, but I guess Jim has improved his control and could do well in the pro game."

Jefferson High's best contribution to baseball to date has been Don Mossi, long-time Cleveland hurler who now labors for the Detroit Tigers. Mossi also was one of the Daly City high school's best-ever football players.

Bernie Cohn's 669 Series Wins Honors

Bernie Cohn took top bowling honors at Westlake last week when he posted an outstanding 669 series, stringing games of 211-192-266 together for Art Colvin Realty. The distaff side crown was won by Nellie Witt, Cardinal Electric kegler who bowled 223-206-163-592.

The 275 Club, an organization of Westlake bowlers who have rolled at least 275 games, has been formed at the Daly City lanes. A place will be made in the lobby to post the pictures and names of the exclusive experts.

Presently eligible are Bob Bresnahan, Bill Greer, Bob Laube, Tony Stagnaro, Primo Liberatore and John Hannan.

The Lady Birds, a new league of novice bowlers, was formed Friday with ten teams starting out and room for six more. Interested gal bowlers can call Martha Lauer, W.I.B.C. house representative at Westlake or Rick Dreier for details at PL 6-5777.

LEADING Jeff High's revived offense against San Mateo two weeks ago and again Friday against Westmoor was Al Cacicado, a small galloper who

runs low and hard. Jeff lost to the league champs by only one TD, 12-6, and by only one point to Westmoor.

OLPH, BYA Squads Hog Touch-Football Championship Honors

Our Lady of Perpetual Help and the Better Youth Association each walked off with two titles in Daly City Department of Recreation's four touch football leagues.

The Bob Cats of OLPH had no trouble defeating Holy Angels, 32-8, to cement the fifth grade championship. The BYA Falcons defeated BYA Flying Gooses, 14-6, to nail down the runnerup spot.

Outstanding line play enabled the BYA Untouchables to beat the second place PAL Jets, 15-7, for the sixth grade league championship. Eddie Finley, Mel Johnson, Ricky Fitzgerald, John Cook, Ken Gonzales and Reed Rosenberg put on such tremendous rushes that the Jets' passing attack was stopped cold. The Daly City Drugs BYA defeated last-place OLPH, 34-6.

The BYA Darts, sponsored by Aero Motors Dodge of Daly City, easily won the seventh grade division with a 6-0 record. The Darts scored 149 points to their opponents' 20 in six games. They ended play by whipping Benjamin Franklin, 32-0, behind the fine play of John Heick and Bob Hood. The Darts were solid in all departments, but their ability to play together as a unit made the season a success.

The PAL Colts beat OLPH, 20-14, to break a second place tie. The Colts lost only one game, to the champion Darts. Holy Angels won its first game by defeating the winless

Daly City Foghorns, 19-6. The OLPH eighth graders made it a complete sweep last Saturday when they won their seventh game in seven starts, and their third win over the second place PAL Raiders, 25-7.

The eighth and seventh grade champs were the only teams to go untied and undefeated this year.

Calif. Dragsters To Compete Nov. 27 At Half Moon Bay

The Northern California Drag Racing Championships originally scheduled for November 13, have been rescheduled for November 27, at the Half Moon Bay Dragstrip, located on the Coast Highway. Without a doubt, this should be the biggest event of its kind this season, with more than twenty world record holders expected. Among these are the Lynwood Welding Special from Lynwood, Penn. The Quincy Auto Special from Los Angeles. Tony Waters from Bakersfield and many more. These three cars mentioned have all hit speeds of over 175 mph in the standing start quarter mile.

The hometown favorites for this race include the Champion Speed Shop entries from So. San Francisco. These are two cars that have both hit close to 180 mph. Both cars are driven by Bud Barnett of Daly City. The Champion 1 car was built by Ted Gotelli of Millbrae and the 2 car by Jim McLennan of Daly City. They are the defending champions from last year's race. Both McLennan and Gotelli feel confident they can take home the top laurels once again with their winning team. Both have supercharged Chevrolet engines.

There will be a total of sixty five classes ranging from the dragsters to the stocks and sport cars. Also, motorcycles will be run for a short time early in the day. Each class winner will be awarded a transistor radio. All entrants will receive gold engraved dash plaques.

Gates will open at 8 a.m. with time trials and eliminations to begin at 12:30.

State Drafting Angling Rules

Except for minor changes, angling regulations for 1961 will look very much like those for 1960—unless the California Fish and Game Commission decides otherwise when it meets in Los Angeles December 8 and 9 to adopt the 1961 set of rules.

The Commission announced last week its "determinations," a tentative set of regulations which must be adopted by law at the December 9 meeting.

Highlights of the "determinations" were:

Trout season would open on the north coast May 30 and would open April 29 in the rest of the State north of the Tehachapi.

Increase the sargo bag limit in Salton Sea from 6 to 10.

Establish a limit of five on soft-shell turtles in the Colorado River area.

Include overflow sloughs, canals and bypasses south of Chico in the all-year salmon and trout season in the lower Sacramento River area.

Prohibit underwater spearfishing for black sea bass and prohibit underwater spearfishing in all inland waters.

Lower the minimum size limit on Green Abalone from 6 1/4 inches to 6 inches.

Permit sport fishermen to take spiny lobsters with lobster traps.

COULDN'T BE CLOSER

Miller, Molossi Shine As Jeff Gives Rams A Run To The Wire

Westmoor's Rams squared their Peninsula League record at 3-3 Friday by slipping past the winless Jefferson Indians in a 14-13 thriller that was too close for comfort.

The Tribe, fighting back to overcome a 14-0 Ram lead in the first quarter, came within an extra point kick of a tie and awfully close to a stunning upset.

Jeff, led by a best-ever effort by quarterback Bob Miller and end Gary Molossi's fine pass-grabbing, couldn't have tried harder. But Westmoor, depending on offensive mainstays Tom Dake and Walt Prouty, bore down and the Ram line "held" when it counted.

It was Jeff's best "team" effort of the campaign—Friday's eighth loss of the season for the Tribe and Jeff's third in four games with their cross-town rivals.

The Indians scored their

first tally just before halftime, capping a march that started on the Jeff 39. Bob Guerrero hit Bob Brush in the end zone with the TD pass and Crowley booted the conversion for 14-7.

Four times in the third period Jeff bruised its way into scoring territory only to fizzle out as the Rams held. Indian thrusts ended on the Westmoor 12, 25, 1 and the 15.

The Indians finally hit paydirt with about a minute to go as Miller connected again to the leaping Molossi in the end zone. But Crowley's all-important extra point attempt sailed low of the crossbar.

Miller was Jeff's leading carrier with 68 yards on 14 carries. He completed 7 of 16 pass attempts—seven of these to basketballer Molossi who also experienced his best afternoon. Al Cacicado of Jeff got 43 yards on 11 carries in workhorse style.

Dake and Prouty did yeoman work—as usual—for Pete Matis's Westlakers. Tom carried 19 times for 96 yards and Prouty got 47 yards on 14 hauls.

Steve Funai of the Rams tried only seven passes, hitting his targets four times.

Westmoor's defensive line perhaps deserved the most praise. Jeff was running and passing well. But just not quite enough.

PENINSULA LEAGUE (Varsity Football)

JUNIOR FOOTBALL

Two Broadmoor Boys In Lineup For Clash With Hawaii Gridders

Three local boys will play in the fourth annual Joe Lacey Memorial football bowl game when the Les Vogel Chevrolet Powergliders meet the Kaimuki Bulldogs of Honolulu at San Francisco's George Washington High School Field this Saturday at 1 p.m.

Members of the Powergliders include tackles Jim Scretton and Ron Baker of Broadmoor, who attend Benjamin Franklin School, and fullback Henry Franklin of Pacifica. Anduaba and Baker are captains of the team. Assistant coach of the team is Jack Lacey of South San Francisco. Two of the game officials are also local residents—Jefferson's Mike Orlich and Chad Reade of Westlake, football coach at George Washington High.

The Joe Lacey memorial game is held every year in honor of the San Francisco policeman, who served as active coach with the Powergliders from the time of their creation until his death in 1956. Member of the Northern California Pop Warner League, the Powergliders' team is made up of boys who have not reached their 15th birthday prior to September 1 and who do not weigh more than 130 pounds.

The Powergliders will travel to Honolulu on January 8 for a return match with the Bulldogs. They will play the preliminary game to the Hula Bowl game between the College All-Stars and Pros at the University of Hawaii stadium.
